A BOOGIE BOOTH EXPERIENCE

# DIGITAL SIGNAGE + HAND SANITIZER

*Capturing people's attention while providing a safe and sanitary environment for customers and employees will be some of the main concerns for businesses as the world opens back up.*

*The Sani-Studio is our new line of health-conscious digital signage solutions aimed to capture, engage, and protect people in this new normal. Not only are we combining the proven effectiveness of hand sanitizing with the power of digital signage, we can create dynamic virtual experiences that tie in visually compelling content with measurable data and analytics.*

*Our easy to install and maintain kiosks are plug and play, commercial grade units meant for a wide variety of public and private settings including but not limited to the following types of locations:*
